

From expat to expats

Expat Chinese combines the best of Western and Chinese teaching methods to create both private and group lessons for foreign students.

Owner and head teacher Sara received her early education in Finland and received her BA and MA certificates in China.

Expat Chinese serves the expat community by offering a monthly free class for GWIC members.

Courses for different needs

Private lessons are always tailored according to the student's goals. Private lessons are great for those with busy schedules or specific needs. Special topics can include communicating with a nanny, workplace Chinese, passing HSK etc.

For those wanting to study at home, we can arrange a teacher to come to you.

Group lessons offer interaction with other students and more opportunities for conversational practice. Contact us or follow our WeChat for the up-to-date course list.

Kids Chinese Club is for young kids to have fun with Chinese through games, songs and playing.

Expat Chinese also offers **tailor-made short courses** that concentrate on learning a certain skill. Our most popular courses include: mobile paying and shopping on Taobao.
